Gentlemen:

Reference is made to your CMCC Doc. No. 151X5.683 requesting an opinion on the application of the Renegotiation Act of 1951 to Contract No. NY-A-501.

It is our opinion that the Act does not apply to that contract. It should be handled in the same manner as A-101, A-102 and A-103.

Very truly yours,
